3. **FOR DISCUSSION**

- a) Heritage Markers. A discussion on Heritage markers took place and examples of the older signs were shown. The wording of the Michaud House sign is being researched as there is not a record of the sign that was removed.

The Director of Recreation, Culture and Community Services advised that we have a current budget of \$68,446.00. To date this year, we have spent \$9224.00. The mosaic mural will need to be installed and is estimated to be \$1000.00. The Crime Prevention Advisory Committee mural has a cost of \$3500.00. Additionally, Council committed \$15,000.00 from the public art budget for the Langley City Film Festival. If we used the cost of the James Douglas signs as a guide, we could create five heritage signs for \$13,225.00 this year. The workplan states up to three signs this year however, there is money in the budget to do more.

The Director of Recreation, Culture and Community Services advised that each year a certain amount of money is allocated to public art through the budget process.

Ms. Reams entered at 7:20pm

A discussion was held, and it was agreed that the following locations would be considered this year:
