

HOUSING AGREEMENT BYLAW, 2026, NO. 3316

The purpose of Housing Agreement Bylaw No. 3316 is to secure tenure and rental rate obligations for the proposed 302-unit apartment development at 19991 49 Avenue, 19990 50 Avenue, and 4951-4975 & 4991 200 Street. This development application has been brought forward by the Pacific Nazarene Housing Society and is a part of the provincial BC Builds program.

This housing agreement and integral restrictive covenant (attached as Schedule “A”) will ensure that all residential units are provided exclusively under rental tenure, with 30% of these units rented at 20% below-market rates, for the life of the building. This development also requires a Development Permit and Official Community Plan and Zoning Bylaw amendments, for which execution of a housing agreement under these terms is a condition.

The agreement incorporates requirements as set out in the provincial BC Builds program and was reviewed by the City’s solicitors to ensure it complied with City requirements. Under Section 483 of the *Local Government Act*, housing agreements must be entered into by bylaw.

Below Market Rental Units and Senior Government Funding

The agreement includes an increased share of below-market rental residential units from what the applicant had previously proposed, with this share increasing from 20% (60 units) to 30% (91 units). While only 20% of units are required to be rented at 20% below-market rates under the BC Builds program, the applicant has chosen to increase the share of below-market units to 30% to support eligibility for federal CMHC funding programs.

The agreement includes additional BC Housing requirements on income, with all units (below-market and market) subject to a maximum income in line with BC Builds’ “workforce housing” intent, with below-market units prioritized for tenants with comparatively lower incomes.

Bylaw Sequencing

In terms of bylaw sequencing for this development application, the Housing Agreement Bylaw is required to be considered for adoption by Council prior to consideration of adoption of the related OCP Amendment Bylaw No. 3305 and rezoning Bylaw No. 3306. Based on this, this Housing Agreement Bylaw No. 3316 is being presented for 3 readings at this Regular Council meeting. Should this Housing Agreement Bylaw receive 3rd Reading from Council, adoption of all the bylaws related to this development application will be considered by Council at a future meeting.

4. Compliance with Agreement
- 4.1 The Owner hereby irrevocably authorizes the Local Government to make such inquiries as it considers reasonably necessary in order to confirm that the Owner is complying with this Agreement.

5. Enforcement and Waiver

- 5.1 Nothing contained or implied herein shall prejudice or affect the rights and powers of the Local Government in the exercise of its functions under any public or private statutes, bylaws, orders and regulations, all of which may be fully and effectively exercised in relation to the Lands. The waiver by a party of any failure on the part of the other party to perform in accordance with any of the terms or conditions of this Agreement shall not be construed as a waiver of any future or continuing failure, whether similar or dissimilar.
- 5.2 The Parties agree that the Local Government is not obligated to inspect the Lands or to otherwise ensure compliance with this Agreement, nor is the Local Government obligated to remedy any default of this Agreement. A failure by the Local Government to enforce this Agreement shall not constitute a waiver of any of the Local Government's rights herein.
- 5.3 Notwithstanding any provision to the contrary in this Agreement, if the Owner is in default of its obligations set forth in this Agreement then the Local Government may, by written notice to the Owner, as the case may be:
- (a) require such default to be corrected within thirty (30) days after receipt of such notice; and
 - (b) if within the thirty (30) days after receipt of such notice the default has not been corrected or reasonable steps to correct the default have not been taken, the Local Government, without limiting any other right it might have, may, but is under no obligation to, enter onto the Lands and rectify such default to the extent considered necessary by the Local Government, or pursue any other remedy consistent with the provisions set forth in sections 5.4 and 5.5.
- 5.4 No remedy under this Agreement is deemed to be exclusive but will, where possible, be cumulative with all other remedies available at law or in equity.
- 5.5 The Owner hereby covenants and agrees that, in addition to any remedies that are available under this Agreement or at law, the Local Government is entitled to all equitable remedies, including specific performance, injunction and declarative relief to enforce its rights under this Agreement. The Owner each acknowledges that specific performance, injunctive relief (mandatory or otherwise) or other equitable relief may be the only adequate remedy for a default by the Owner under this Agreement.

6. Termination Date, Discharge or Amendment

- 6.1 This Agreement shall be discharged or amended only by an instrument duly executed by the Parties. Notwithstanding the foregoing, a unilateral discharge is the right of the Local Government pursuant to section 8.1(c).

- 6.2 Pursuant to section 483(4) of the *Local Government Act*, this Agreement may be amended only by a bylaw adopted with the consent of the Parties.
- 6.3 Notwithstanding any provision to the contrary in this Agreement, all of the covenants of the Owner to the Local Government contained herein (including with respect to the Dwelling Units) will expire on the Termination Date and upon such expiry, the Owner may provide to the Local Government a discharge of this Agreement from title to the Lands and the Local Government agrees to execute such discharge and return it to the Owner for registration with the Lands Title Office.

7. Indemnity and Release

- 7.1 The Owner hereby releases, and covenants to indemnify and save harmless the Local Government from all loss, damage, costs (including without limitation legal costs), expenses, actions, causes of action, suits, debts, accounts, claims and demands (collectively, the “**Claims and Losses**”), including without limitation any and all claims of third parties (and including personal injury, death or damage occurring in or on the Lands), which the Local Government may suffer, incur or be put to arising directly or indirectly out of or in any way connected with this Agreement, including:
- (a) any breach by the Owner of any covenant or agreement contained in or related to this Agreement;
 - (b) any negligent act or omission of the Owner or its officers, directors, agents, contractors or other persons for whom at law the Owner is responsible;
 - (c) the exercise of discretion by any employee or official of the Local Government for any matter relating to this Agreement;
 - (d) the construction, maintenance, repair, ownership, lease, license, operation, management or financing of the Lands, the Building or any portion thereof, including any Dwelling Unit; and/or
 - (e) the exercise by the Local Government of any of its rights under this Agreement or an enactment.

Notwithstanding the foregoing or anything to the contrary set forth in this Agreement, the indemnity being granted by the Owner hereunder shall exclude such Claims and Losses arising from the negligent acts or omissions, bad faith or willful misconduct of the Local Government.

- 7.2 The indemnity and release set forth in section 7.1 shall survive the termination of this Agreement.

8. Agreement for Benefit of Local Government Only

8.1 The Parties agree that:

- (a) this Agreement is entered into only for the benefit of the Local Government;
- (b) this Agreement is not intended to protect the interests of the Owner, any tenant, or any future owner, lessee, occupier or user of the Lands, the Building or any portion thereof, including any Dwelling Unit; and
- (c) the Local Government may at any time execute a release and discharge of this Agreement, without liability to anyone for doing so, and without obtaining the consent of the Owner.

9. Miscellaneous

9.1 This Agreement does not:

- (a) affect, fetter or limit the discretion, rights, duties or powers of the Local Government under any enactment or at common law, including in relation to the use or subdivision of the Lands;
- (b) impose on the Local Government any legal duty or obligation, including any duty of care or contractual or other legal duty or obligation, to enforce this Agreement;
- (c) affect or limit any enactment relating to the use or subdivision of the Lands;
or
- (d) relieve the Owner from complying with any enactment, including in relation to the use or subdivision of the Lands.

9.2 The Owner must perform its obligations under this Agreement at its own expense and without compensation from the Local Government.

9.3 Time will be of the essence of this Agreement and will remain of the essence notwithstanding the extension of any of the dates under this Agreement.

9.4 This Agreement represents the whole agreement between the Parties, and there are no warranties, representations, conditions or collateral agreements made by the Parties except as set forth in this Agreement.

9.5 The captions and headings throughout this Agreement are for convenience and reference only and the words and phrases contained therein will in no way be held or deemed to define, limit, describe, explain, modify, amplify or add to the interpretation, construction or meaning of any provision of or the scope or intent of this Agreement or in any way affect this Agreement.

- 9.6 If any provision of this Agreement is found to be invalid or unenforceable, such provision or any part thereof will be severed from this Agreement and the remainder of this Agreement will remain in full force and effect.
- 9.7 The Owner shall at all times and from time to time and upon reasonable request do, execute and deliver all further assurances, acts and documents for the purpose of evidencing and giving full force and effect to the covenants, agreements and provisions in this Agreement.
- 9.8 All notices, demands and requests which may or are required to be given pursuant to this Agreement will be in writing and will be sufficiently given if served personally upon the party for which it is intended, or mailed prepaid and double registered:

or at such other addresses as each of the Parties may from time to time advise by notice in writing. The date of receipt of any such notice, demand or request will be deemed to be the date of delivery if such notice, demand or request is served personally or if mailed as aforesaid on the fifth business day next following the date of such mailing; provided, however, that if mailed, should there be between the time of mailing and the actual receipt of the notice a mail strike, slow down of postal service or other labour dispute which affects the delivery of such notice, then such notice will be deemed to be received when actually delivered.

- 9.9 Unless the context otherwise requires, the laws of British Columbia will apply to this Agreement and all statutes referred to herein are enactments of the Province of British Columbia. Without limiting the above, in the event of any conflict between any provision of this Agreement and the *Residential Tenancy Act*, this Agreement is without effect to the extent of the conflict, except that the Owner shall be responsible for ensuring that every Tenancy Agreement fairly reflects the material terms of this Agreement.

- 9.10 Any reference to a statute includes and is a reference to such statute and to the regulations made pursuant thereto, with all amendments made from time to time to such statute and regulations and as they are in force from time to time, and to any statute and regulations that may be passed which have the effect of supplementing or superseding such statutes and regulations.
- 9.11 The Owner must cause this Agreement to be registered in the Land Title office against title to the Lands with priority over all financial liens, charges and encumbrances, and any leases and options to purchase, registered or pending registration at the time of application for registration of this Agreement, including by causing the holder of each such lien, charge, encumbrance, lease or option to purchase to execute an instrument in a form required by the Local Government under which such holder postpones all of the holder's rights to those of the Local Government under this Agreement in the same manner and to the same extent as if such lien, charge, encumbrance, lease or option to purchase had been registered immediately after the registration of this Agreement.
- 9.12 The Owner is only liable for breaches of this Agreement that occur while the Owner is the registered owner of the freehold interest in the Lands provided however that notwithstanding that the Owner is no longer the registered owner of the freehold interest in the Lands, the Owner will remain liable for breaches of this Agreement that occurred while the Owner was the registered owner of the freehold interest in the Lands.
- 9.13 This Agreement shall enure to the benefit of and be binding upon the Parties hereto and their respective successors and permitted assignees.

By signing the General Instrument Part I, the Parties have agreed to be bound by their respective obligations contained in this Agreement.
