What is the 529 Garage

The 529 Garage is an iOS/Android mobile application and website service to easily:

- Register your bike in a database that will work world wide
- Report your bike in the event of a theft and notify the 529 Community
- Send your registration info to police and insurance in the event of theft or damage
- Search the database to ensure that a bike you are purchasing has not been reported missing
- View the Hot Sheet of other missing bikes in your area, to keep a look out for them
- Print registration cards and missing posters

How to Report a Bike Theft

If your bike has been stolen, it's important to report it to Langley RCMP. This helps our community understand the scope of the problem, as well as makes it easier to interrupt criminal behaviour. We are working with dozens of agencies across BC on bike theft and by filing a report, you maximize your chances of getting your bike back.

Step 1

Start an alert on your bike on the 529 Garage website or app.

If your bike isn't registered, register it first with all the information that you have about your bike, and then start the alert.
