

## EXPLANATORY MEMO

### 20659-20679 Eastleigh Crescent Tenant Relocation Plan and Assistance Information

### Development Permit 03-23 Zoning Bylaw Amendment Bylaw No. 3253

#### **Policy: Official Community Plan (OCP) Bylaw & Tenant Relocation Plans Policy**

Official Community Plan Bylaw No. 3200 includes a “Tenant Relocation Plans” Policy (1.18) which requires development applications involving the redevelopment of existing purpose-built rental housing buildings and the relocation of the tenants in these existing rental buildings to provide a Tenant Relocation Plan.

Council Policy CO-81 (Tenant Relocation Plans) builds on this OCP policy to provide further detail to the required Tenant Relocation Plan as well as the broader procedural obligations the applicant has to the tenants. These requirements include the following:

- Early and ongoing information being provided to tenants regarding the application process and their rights under the Tenant Relocation Plan and the Provincial *Residential Tenancy Act*;
- The designation of an independent third-party Tenant Relocation Coordinator to liaise with tenants;
- Specific financial compensation amounts based on length of tenancy, including additional compensation for moving expenses;
- Assistance with finding new accommodations;
- The offering of first right of refusal to return to the new building once complete; and
- Additional supports for vulnerable tenants.

An application (Development Permit 03-23 and Zoning Bylaw Amendment No. 3253) has been submitted to redevelop three existing rental buildings at 20659-20679 Eastleigh Crescent. The applicant has developed a Tenant Relocation Plan, according to OCP Policy 1.18 and Council Policy CO-81, for the existing rental unit tenants on this property.

Staff also note that, in addition to City policies, the applicant is required by Provincial law, through the *Residential Tenancy Act (RTA)*, to provide affected tenants a minimum of 4 months advance notice of end of tenancy, along with compensation, when a Demolition Permit is obtained by the applicant, which occurs following the approval of a Development Permit application by Council.

## **20659-20679 Eastleigh Crescent Development Application**

The applicant has been implementing their Tenant Relocation Plan, including by providing early notice of the development application to affected tenants, designating a Tenant Relocation Coordinator, maintaining ongoing communication through tenant meetings and availability of the Tenant Relocation Coordinator, and developing a Tenant Assistance Package (see attachments). The applicant will provide additional information regarding their Tenant Relocation Plan, its status, and its components at the Public Hearing for Zoning Bylaw Amendment Bylaw No. 3253.

The applicant intends to provide end of tenancy notices to tenants, as required by the *RTA*, following receipt of a conditional Demolition Permit, which in turn requires Council adoption of Development Permit 03-23 and Zoning Bylaw Amendment Bylaw No. 3253. Once the tenancies have expired, relocation of tenants has been finalized, the existing building is vacant, and a Final Tenant Relocation Report has been submitted to City staff, the applicant can proceed with the required service disconnections and demolition of the building. Actual construction on the property could then begin after a Building Permit is issued to the applicant.

The Final Tenant Relocation Report to staff is required to provide details for each displaced tenant on the following:

- Relocation outcome, including where the tenant has been housed and evidence that they have been satisfactorily assisted in locating new accommodations; and
- The amount of compensation given to each tenant including monetary compensation, free rent, moving expenses, and any other additional assistance and services that may have been provided.

The applicant's Tenant Relocation Plan, Tenant Assistance Package, Notice of Application letter, and other correspondence between the applicant and tenants of 20659-20679 Eastleigh Crescent are attached for Council's information. The applicant has also set up an information website at [www.20669eastleigh.com/](http://www.20669eastleigh.com/).

At the time of the writing of this memo, in advance of Council's consideration of 1<sup>st</sup> & 2<sup>nd</sup> Readings of the applicable bylaws, 1 tenancy has relocated. 20 assistance-eligible tenancies remain within the buildings. It is important to note that, as permitted by Council Policy CO-81 (Tenant Relocation Plans), the applicant may re-rent units that have been vacated by the original tenants residing at the time the development application was made. These new tenants are not eligible for supports under Council Policy CO-81, as they will have been made aware of the redevelopment application status by the applicant before signing a lease in the building, as required by the Policy.

The applicant has held three Tenant Information Meetings on the project so far. Tenants were advised of the Advisory Design Panel Meeting and of the Regular Council Meeting to consider 1<sup>st</sup> & 2<sup>nd</sup> Readings for the subject bylaw.

Prior to the Public Hearing for this application, tenants will be notified of the Public Hearing, with specific information on the date, time, and place of the Public Hearing and the options available to tenants to provide input directly to Council regarding the application. The applicant will be presenting their tenant relocation plan at the Public Hearing, including progress to date, any updates regarding early relocation and communication with tenants, and next steps should Council give further readings to the relevant Bylaw, as well as responding to questions from Council.

EverProsper Development (Eastleigh) Ltd. recently purchased the property where you are a tenant. The reason why we are writing you today is to inform you that we have submitted a redevelopment application to the City of Langley Development Services Department (City Hall), for the purpose of demolishing the existing building and redeveloping the property. Our redevelopment proposal consists of a Rezoning Amendment Bylaw application and a Development Permit application.

If this development proposal is approved by Langley City Council, the new development will consist of two buildings with an approximate total of 171 apartment units, of which 150 units will be strata title condominium suites for sale and 21 market rental units. ### **Proposed Residential Tenant Relocation Plan - Eastleigh Apartments**

The following Tenant Relocation Plan is part of EverProsper Development (Eastleigh) Ltd. development application submission to assist tenants with finding alternative accommodations, and to demonstrate our commitment to providing enhanced communication and support beyond the minimum requirements of the Residential Tenancy Act.

#### **Occupancy Report:**

Documentation on the existing rental building is provided to the City that includes the following of information:

- Number of units (occupied/not occupied);
- Unit types and sizes;
- Rental rates for each unit;
- Vacancy rate for the past year (2020);
- Type of tenancy (lease, month to month);
- Length of tenancy for each unit; and
- Demographic profiles (mobility/accessibility issues, seniors, etc.)

The documentation of existing tenancies in the Occupancy Report helps inform tenant eligibility for assistance. Tenancies active when the Occupancy Report is accepted by the City are eligible for some compensation, and relocation/moving assistance. New tenants that move in after the date of the development application is made and this notice is given to the tenants, do not qualify for assistance or compensation.

#### **Vulnerable Tenants:**

EverProsper Development (Eastleigh) Ltd. is committed to providing additional support for vulnerable tenants. This will be assessed on an individual basis as part of the Occupancy Report. Vulnerable tenants are defined as those:

- with disabilities that have a recognized disability pension or are considered disabled for income tax purposes, and/or seniors aged 55 or older, as per BC Housing definitions;

- who qualify for deep subsidy and Rent Geared to Income (RGI) units, according to BC Housing eligibility criteria; and
- who are currently paying monthly rent that is equivalent to or less than average month rents for RGI units in the City.
- Additional relocation assistance for vulnerable tenants requires the TRC to:
  - i. identify non-market, subsidized units as options for vulnerable tenants;
  - ii. identify accessible unit options, including those that are also non-market, subsidized options, as required;
  - iii. work with non-profit/non-market housing providers to find accommodations for vulnerable tenants;
  - iv. assist vulnerable tenants in making arrangements to apply for, visit/view (including transportation costs) and acquire these units, including communicating with property managers on tenants' behalf to find units;
  - v. assist with packing (manual assistance at no charge by movers working on behalf of the developer, or additional funding for movers); and
  - vi. assist vulnerable tenants in applying for rent supplements, as required;

The following financial compensation shall be provided to vulnerable tenants (this supersedes financial compensation identified under the 'Compensation' heading below):

- i. if a vulnerable tenant is relocated to a non-market, subsidized unit: 4 months rent for tenants with tenancies up to 15 years, 5 months rent for 16-20 years and 6 months rent for over 20 years; and
- ii. if a vulnerable tenant is relocated to a rental unit that is not a non-market, subsidized unit: 6 months rent, regardless of tenancy length.

If the Occupancy Report indicates there are tenants that do not have disabilities and/or are not seniors, but they qualify for RGI rents or rent supplements, the TRC is to provide additional assistance in finding suitable accommodations for these tenants and helping them apply for rent supplements, as required and upon request.

The ADP meeting is open for attendance by the public but generally in an observatory rather than participatory way unless the Chair decides to hear comments from the public.

The ADP meeting is focused exclusively on form and character, so tenant relocation will not be discussed there. However full public participation will be welcomed at the public hearing on any topic.
