

What is Block Watch

Block Watch is a Community organized RCMP Crime Prevention Program.

Neighbours look out for each other. They get to know who belongs and report suspicious activity.

Objectives

The objective is to get residents networking with each other to share information on crime prevention and reduce crime. It is important to get to know your neighbours, at least by sight.

To become proactive, not reactive.

This will establish a sense of community, ownership, and connection within your neighbourhood. In return it will create a safer and better place to live.

How Does it Work

We need volunteers to become Captains and Co Captains to initiate the participation. Assistance is required from the residents of Langley to make our/your Community a safer place to live.

Please contact the Block Watch Coordinator at 604-532-3213 for further details.
