Mayor's Message

The City is buzzing with excitement after the Penzer Action Park Grand Opening on June 29! My Council colleagues and I enjoyed listening to the fantastic DJ Kyle Richardson while we watched professional Parkcor athletes show off

their skills to the hundreds of children eager to follow in their footsteps. It was definitely a sight to see! Hundreds of kids and parents took advantage of Canada's largest Parkcor course, the concrete pump track, multi-use sports court, and childrens' natural playground. Here are a couple of photos of the tremendously successful event.

These pictures are just a glimpse of this new regional destination. If you haven't visited Penzer Action Park yet I strongly encourage you to pack a picnic and come make a day of it.

Another of the City's hidden gems is Linwood Park. We've made some great upgrades for children 5-12 years old which include a zip line, large slide, climbing area, bridges and much more!

Langley RCMP Bulletin

As Canada Post target hardens the Community Mailboxes, the privately owned boxes of apartment, townhouse and single family residences are being hit. A few simple changes can assist with making your mailbox less of a target. Mail theft, like any theft of personal property, can lead to financial loss and considerable inconvenience. Know that once your mail is delivered, it is your personal property.

Tips for Lobby mailboxes:

- Check with your intercom provider; has the “trade’s code” been removed? Set the timer to allow Canada Post a window of two hours either side of their regular delivery time.
- Acquire free No Key No Entry signs from your Community Police Office or the Main RCMP Detachment, to remind residents not to allow anyone in behind them.
- Remind everyone not to buzz someone in unless they are visiting their suites

Tips for Outside mailboxes:

- Can the mailboxes be easily seen; are there shrubs or other plant materials blocking the natural surveillance of the boxes? Trim or remove any landscape materials creating any concealment of the boxes.

- Keep the area around the mailboxes neat; a well-kept space says that you care for your property.

General Tips:

- Retrieve your mail as soon as possible after delivery - don't leave mail unattended in your mailbox overnight.
- If you're planning a holiday, have someone retrieve your mail on a daily basis OR for a small fee, Canada Post will hold your mail at the delivery office and deliver it upon your return.
- If you receive mail that is not yours, do not leave it in an unprotected area. Write "delivered to wrong address" or "not at this address" on the front of the envelope. Deposit the letter into a Canada Post mailbox at your earliest convenience.
- Check the physical security of your mailbox to ensure there are no gaps or damage; check with a lock specialist on the cost of increasing the security of your boxes.

We need to hear from you; Langley RCMP ~
Emergency 911 Call this number if you are witnessing
a crime/incident in progress; know your location.
Langley RCMP ~ Non-Emergency 604.532.3200.

The most effective and efficient way to report a
suspicious person/activity or a crime that has already
occurred is to call the non-emergency number.
Community Police Offices ~ Walk-In Please do not
call these offices to report a crime, or for police
attendance.
